OUR INSPIRER

To fulfill the vision of our Inspirer
we commit ourselves to empower
the Nation through Education

Our Inspirer
Babu Vijendra Kumar Ji

As a part of the journey to ignite the minds, a renowned agriculturist and social worker from a small town Gangoh of district Saharanpur, our Inspirer, Babu Vijendra Kumar Ji envisioned a society to cater to the needs of the youth of the area and empower all sections of the society of the nation through education. This dream of Babu Ji was formalized by Dr. Shobhit Kumar and Kunwar Shekhar Vijendra voluntarily and with the spirit of social service to the community along with a team of eminent professionals, technocrats, educationists, and social workers by establishing NICE Society in 1989.

VICE CHANCELLOR'S MESSAGE

It is with immense pride and gratitude that I present the Annual Report for the academic year 2023-24 of Shobhit University Gangoh. This year has been marked by significant academic progress, research advancements, and holistic development, reaffirming our commitment to excellence in education, innovation, and community engagement.

At Shobhit University, we strive to nurture young minds, fostering a culture of inquiry, creativity, and leadership. Through our multidisciplinary approach, industry-driven curriculum, and value-based education, we continue to empower students with knowledge, skills, and ethical values that prepare them for global challenges. Our emphasis on research and innovation has resulted in remarkable contributions from faculty and students in various fields, strengthening our role in nation-building and societal development.

The year 2023-24 has witnessed remarkable initiatives, including internship and placement drives, industry collaborations, skill development programs, and national and international conferences. Our commitment to sustainability, digital transformation, and entrepreneurship remains steadfast, as reflected in our academic and co-curricular engagements.

I am delighted to highlight the outstanding achievements of our students and faculty in academics, research, sports, and cultural activities. Their perseverance and dedication continue to enhance our university's reputation as a center of excellence.

As we move forward, I extend my heartfelt gratitude to our faculty, staff, students, alumni, and industry partners for their unwavering support. Together, let us continue our journey of excellence, innovation, and service to society, shaping the future of education and knowledge.

Wishing everyone success and fulfillment in their endeavors.

Prof. (Dr.) Ranjit Singh

Vice Chancellor

Shobhit University Gangoh

REGISTRAR'S MESSAGE

It is with great pride and a deep sense of commitment that I present the Annual Report for 2023-24 of Shobhit University Gangoh. This year has been marked by academic excellence, research advancements, industry collaborations, and community engagement, reinforcing our vision of fostering holistic education and innovation.

Our university has continued to enhance the quality of education, integrating modern teaching methodologies, value-added courses, and skill-based training to prepare students for global challenges. Significant strides have been made in research and development, with faculty and scholars contributing to impactful studies and publications. Collaborations with renowned institutions and industry partners have provided our students with practical exposure and career-oriented learning opportunities.

Beyond academics, co-curricular and extra-curricular activities have played a pivotal role in shaping students' leadership, teamwork, and problem-solving skills. Events such as National Sports Day, Research Methodology Workshops, Educational Tours, and Social Awareness Initiatives have enriched student experiences, fostering a culture of inclusivity and social responsibility.

Our commitment to community welfare has been evident through initiatives such as free medical camps, skill development programs, and environmental awareness drives, reinforcing our role as a responsible institution.

I extend my heartfelt gratitude to our Vice Chancellor, faculty members, administrative staff, and students for their unwavering dedication and hard work. Let us continue striving for academic brilliance, innovation, and service to society, making Shobhit University Gangoh a center of knowledge, excellence, and transformation.

Prof. (Dr.) Mahipal Singh
Registrar, Shobhit University Gangoh

MESSAGE FROM THE CONTROLLER OF EXAMINATIONS

It is with great pride and responsibility that I present this message for the Annual Report 2023-24 of Shobhit University Gangoh. The past academic year has been marked by significant advancements in our examination and evaluation processes, ensuring transparency, fairness, and efficiency in academic assessments.

Our Examination Department has consistently worked towards enhancing the examination framework by implementing digitized processes, secure evaluation mechanisms, and student-centric reforms. We have successfully conducted internal assessments, semester examinations, and competitive evaluations, maintaining the highest standards of integrity and accuracy.

This year, we introduced automated examination management systems, improving exam scheduling, result processing, and grievance redressal mechanisms. We have also strengthened our anti-malpractice measures to uphold the credibility of our academic evaluations. Additionally, our faculty and staff have worked relentlessly to support students through guidance, workshops, and counseling, ensuring a seamless examination experience.

Our commitment remains towards continuous innovation, and we aspire to integrate AI-driven assessment tools, online proctoring, and personalized evaluation techniques in the coming years. These initiatives will not only enhance the academic ecosystem but also prepare students for future professional challenges.

I extend my heartfelt gratitude to the Vice Chancellor, faculty members, examination staff, and students for their unwavering cooperation and dedication. With a collective vision, we will continue to uphold the excellence and credibility of our university's academic system.

Best wishes to all for a successful and enriching academic journey ahead!

Prof. (Dr.) Varun Bansal
Controller of Examinations

VISION & MISSION OF THE UNIVERSITY

Shobhit University aims to create a conducive, enabling academic climate to facilitate integration of the younger generation into the logic of the present system and to develop educational means by which men and women deal critically and creatively with reality and discover how to participate in the transformation of their world.

Vision

The Shobhit University will be internationally recognized as a premier Indian University with a global perspective that educates leaders who will fashion a more humane and just world.

Mission

The core mission of the University is to promote learning in Indian tradition with international outlook. The University offers undergraduate, graduate, research scholars and professional students, the knowledge and skills needed to succeed as persons and professional in niche technical areas, and the values and sensitivity necessary to be men and women for others.

The University will distinguish itself as a diverse, socially responsible learning community of high-quality scholarship and academic rigor, sustained by Indian ethics & values. The University will draw from the cultural, intellectual and economic resources of the nation to enrich and strengthen its educational programs.

CORE VALUES OF THE UNIVERSITY

The University's core values include a belief in and a commitment to advancing:

- The Indian tradition that views faith and reason as complementary resources in the search for truth and authentic human development, and that welcomes persons of all faiths as fully contributing partners to the University.
- The freedom and the responsibility to pursue truth and follow evidence to its conclusion.
- Learning as a humanizing, social activity rather than a competitive exercise.
- A common good that transcends the interests of particular individuals or groups; and reasoned discourse rather than coercion as the norm for decision making.
- Diversity of perspectives, experiences and traditions as essential components of a quality education in our global context.
- Excellence as the standard for teaching, scholarship, creative expression and service to the University community.
- Social responsibility in fulfilling the University's mission to create, communicate and apply knowledge to a world shared by all people and held in trust for future generations.
- The moral dimension of every significant human choice: taking seriously how and who we choose to be in the world.
- The full, integral development of each person and all people, with the belief that no individual or group may rightfully prosper at the expense of others.
- A culture of service that respects and promotes the dignity of every person.

THE JOURNEY OF SHOBHIT UNIVERSITY GANGOH: FROM INCEPTION TO EXCELLENCE

Shobhit University, Gangoh, has emerged as a center of excellence in higher education, fostering academic innovation, research, and professional development. Established with a vision to impart quality education, the university has grown into a multidisciplinary institution committed to nurturing intellectual growth and holistic development.

Foundation and Establishment

Shobhit University, Gangoh, was founded with the mission of providing affordable and quality education in various disciplines. It was established as part of the Shobhit University group, guided by the vision of its founding members and academic leaders. Since its inception, the university has been dedicated to academic excellence, skill development, and industry-oriented education.

Growth and Academic Expansion

Over the years, the university has expanded its academic offerings, introducing diverse undergraduate, postgraduate, and doctoral programs across disciplines such as Engineering, Business Studies, Law, Agriculture, Pharmacy, Biological Sciences, Naturopathy, and Yogic Sciences. The establishment of specialized research centers, industry collaborations, and technology-driven learning methodologies has strengthened the university's academic standing.

STRATEGIC INITIATIVES OF THE UNIVERSITY

Key Initiatives Driving the University's Recognition as a Premier Institution in India

Shobhit University has consistently demonstrated excellence in education, research, and holistic student development, earning recognition as a premier Indian university. This achievement is the result of strategic initiatives aimed at fostering academic excellence, inclusivity, innovation, and sustainability. Below are the key initiatives that have contributed to this success:

1. Recruiting and Retaining a Diverse and Highly Qualified Faculty and Staff

A university's strength lies in its faculty and staff, who play a pivotal role in shaping students' educational experiences. To maintain academic excellence, the university actively recruits and retains a diverse team of outstanding teacher-scholars committed to advancing the institution's vision, mission, and values. These faculty members bring a wealth of experience, research expertise, and industry knowledge, ensuring that students receive a dynamic, research-oriented, and industry-relevant education.

Additionally, the university prioritizes hiring a service-oriented administrative and support staff who are dedicated to creating a positive, student-focused learning environment. By fostering continuous faculty development through professional training, research opportunities, and academic collaborations, the university ensures that its educators remain at the forefront of their respective fields.

2. Enrolling, Supporting, and Graduating a Diverse Student Body

One of the core objectives of the university is to attract and nurture a diverse student community. The institution is committed to enrolling students from different backgrounds, regions, and socio-economic statuses, ensuring that higher education remains inclusive and accessible to all. The admissions process emphasizes academic excellence, leadership potential, and social responsibility, ensuring that students who join the university are well-prepared to contribute meaningfully to society.

Beyond enrollment, the university offers comprehensive student support programs, including mentorship, counseling, scholarships, and career guidance, to help students thrive academically and personally. Special attention is given to students from marginalized communities, ensuring that the weak and the vulnerable receive the necessary support to succeed. Leadership development programs, extracurricular activities, and community engagement initiatives are also encouraged to instill a sense of responsibility, compassion, and civic consciousness among students.

3. Creating a Stimulating Learning Environment with Advanced Resources

A well-equipped and vibrant campus plays a crucial role in enhancing learning experiences and overall student satisfaction. To support outstanding educational programs, the university continuously invests in developing state-of-the-art infrastructure, smart classrooms, modern laboratories, and research facilities that foster innovation and practical learning.

A significant focus is placed on enhancing learning resources that not only complement the curriculum but also promote scholarly research. The university's extensive digital and physical library provides students with access to academic journals, research papers, and e-learning tools that supplement their education.

Incorporating cutting-edge technology solutions is another major initiative aimed at enhancing teaching methodologies, student engagement, and administrative efficiency. Digital learning platforms, AI-driven academic support systems, and virtual classrooms ensure that education

remains accessible, interactive, and up-to-date with global trends. The university's commitment to digital transformation enhances the learning experience and prepares students for a technology-driven world.

4. Upgrading Facilities to Support Holistic Learning and Well-being

Beyond academics, the university ensures that its facilities and resources create a nurturing and intellectually stimulating environment. This includes sports complexes, cultural centers, hostels, and recreational areas, which contribute to the overall well-being and development of students. A strong emphasis on green campus initiatives, mental health wellness programs, and community engagement activities aligns with the university's vision of creating a sustainable and socially responsible institution.

These initiatives collectively contribute to the university's **growing recognition as a leading educational institution in India**, ensuring that students receive a **world-class education** in an environment that promotes **innovation, inclusion, and holistic growth**.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

Establishment of IQAC

The Internal Quality Assurance Cell was formed in January 2023 to enhance and maintain institutional quality standards. Its establishment aimed to foster continuous improvement,

ensure compliance with academic and administrative benchmarks, and promote excellence through systematic assessment and monitoring of processes within the organization. Internal Quality Assurance Cell (IQAC) is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belonging and participation in all the constituents of the institution. It will not yet be another hierarchical structure or a record-keeping exercise in the institution. It will be a facilitative and participative voluntary system/unit/organ of the institution. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies by IQAC to remove deficiencies and enhance quality like the “Quality Circles” in industries.

Vision of IQAC

To prioritize a culture of quality in Higher Education Institutions by institutionalizing and internalizing all initiatives supported both internally and externally.

Goals of IQAC

The primary goals of IQAC are:

- To create a system for deliberate, consistent, and catalytic actions aimed at enhancing the institution's academic and administrative performance.
- To advance measures that enhance institutional functioning by internalizing a culture of quality and institutionalizing the best practices.

Strategies of IQAC

IQAC shall evolve mechanisms and procedures for:

- Ensuring timely, efficient, and progressive performance of academic, administrative, and financial tasks.
- Offering relevant and high-quality academic and research programs.
- Providing equitable access to and affordability of academic programs for diverse sections of society.
- Optimizing and integrating modern teaching and learning methods.
- Maintaining the credibility of assessment and evaluation processes.

- Ensuring adequacy, maintenance, and proper allocation of support structures and services.
- Sharing research findings and networking with other institutions in India and abroad.

Role of Coordinator/Director IQAC

The following are the roles and responsibilities carried out by coordinator IQAC:

- To coordinate the dissemination of information on various quality parameters of higher education
- To coordinate the documentation of the various programmes / activities leading to quality improvement
- To coordinate the quality-related activities of the institution
- To coordinate in preparation of the Annual Quality Assurance Report (AQAR) to be submitted to NAAC based on the quality parameters.
- To coordinate the timely and efficient execution of the decisions of IQAC committee.

Functions of IQAC

Some of the functions expected of the IQAC are:

- Development and application of quality benchmarks
- Parameters for various academic and administrative activities of the institution.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Collection and analysis of feedback from all stakeholders on quality-related institutional processes.
- Dissemination of information on various quality parameters to all stakeholders.
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
- Documentation of the various programmes/activities leading to quality improvement.

- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.
- Development and maintenance of institutional databases through MIS for the purpose of maintaining /enhancing the institutional quality.
- Periodical conduct of Academic and Administrative Audit and its follow-up
- Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.

BRIEF DETAILS OF FUNCTIONAL MOUS

Shobhit University places a strong emphasis on establishing Memorandums of Understanding (MoUs) and agreements with various academic institutions, research organizations, industries, and corporate entities. These strategic collaborations are designed to enhance academic excellence, facilitate knowledge exchange, and create opportunities for students and faculty members. By forging partnerships with reputed organizations, the university ensures access to cutting-edge research, industry exposure, skill development programs, and global learning experiences. These agreements enable students to engage in internships, joint research projects, faculty exchange programs, and skill-based training, bridging the gap between academia and industry. Shobhit University actively seeks collaborations that foster innovation, entrepreneurship, and holistic education, aligning with global standards. Through these MoUs, the university strengthens its commitment to providing quality education, professional development, and career opportunities, ensuring that students gain practical knowledge and hands-on experience in their respective fields, ultimately preparing them for future challenges and leadership roles.

JULY-2024

ROAD SAFETY FORTNIGHT ORGANIZED AT SHOBHIT UNIVERSITY GANGOH

Shobhit University Gangoh observed Road Safety Fortnight on July 20, 2023, following the directives of the Uttar Pradesh State Higher Education Council. The campaign, spanning from July 17 to July 31, 2023, aimed to raise awareness about road safety rules and precautions through various activities, including teacher training, public awareness drives, seminars, symposia, and road safety oath.

The School of Law and Constitutional Studies initiated the campaign with an awareness rally, which saw participation from students of Shobhit University and other institutions. The rally traversed through the market and reached Hindu Rashtriya Inter College Gangoh, where Prof. (Dr.) Pritam Singh Panwar, Dean and Head of the School of Law, educated students on road transport regulations. Assistant Professor Gaurav Tyagi further elaborated on the program's objectives and the importance of traffic rules in reducing road accidents. Additionally, Dr. Usman Khan and Ravikant Dixit emphasized key safety measures while driving.

Vice Chancellor Prof. (Dr.) Ranjit Singh lauded the organizers, highlighting the role of such initiatives in reducing road accidents and encouraging adherence to traffic rules. Registrar Prof. (Dr.) Mahipal Singh also extended his best wishes, stressing the need for regular awareness campaigns for societal benefit.

Faculty members, including Dr. Usman Khan, Aditya Tomar, Shoaib Hussain, and Ravikant Dixit, played a significant role in the program's success.

UNIVERSITY DAY CELEBRATED AT SHOBHIT UNIVERSITY GANGOH

On July 24, 2023, Shobhit University Gangoh celebrated University Day and the birthday of Dr. Shobhit Kumar, Chairman of NICE Society, with great enthusiasm. Every year, Dr. Kumar's birthday is observed as University Day, marking a significant occasion for the university community.

The celebration began with a havan at Kunwar Shekhar Vijendra Medical College, where dignitaries and faculty members prayed for Dr. Shobhit Kumar's good health and the university's continued progress. Following this, a grand cultural program was held at J.P. Mathur Auditorium, featuring dance performances, poetry recitals, and a yoga presentation by the students.

The program commenced with a traditional lamp-lighting ceremony before the statues of Maa Saraswati and Babu Vijendra Ji, led by Vice Chancellor Prof. (Dr.) Ranjit Singh, Registrar Prof. (Dr.) Mahipal Singh, Caretaker Sufi Zaheer Akhtar, Prof. (Dr.) Shailendra Bhardwaj, Prof. (Dr.) Prashant Kumar, and other faculty members. Students then performed Saraswati Vandana and the University Song, adding to the celebratory spirit.

Coordinator Prof. (Dr.) Prashant Kumar welcomed the esteemed guests and highlighted the significance of the occasion. Vice Chancellor Prof. (Dr.) Ranjit Singh conveyed birthday wishes to Dr. Shobhit Kumar and read a congratulatory message from Chancellor Shri Kunwar Shekhar Vijendra Ji, encouraging students and faculty to embrace the new academic session with renewed energy and commitment.

Registrar Prof. (Dr.) Mahipal Singh extended his best wishes, acknowledging Dr. Kumar's dedication in fulfilling the vision of Babu Vijendra Ji. Caretaker Sufi Zaheer Akhtar also expressed his congratulations, wishing happiness and prosperity to the entire Shobhit family.

The event concluded with Assistant Professor Shoaib Hussain expressing gratitude to all attendees. The celebration wrapped up with Prasad distribution and a friendly match on the university grounds.

Key contributors to the event's success included Dr. Namit Vashisht, Dr. Shagufta Malhotra, Dr. Arif Naseer, Gaurav Tyagi, Pradeep Sharma, Ritu Sharma, Preeti Singh, Sonali Rao, Swati Rajoura, Anjali Singh Rana, Karuna Agarwal, Balram Tank, Mukesh Gautam, Nitin Kumar,

SHOBHIT UNIVERSITY GANGOH BROADCASTS ALL INDIA EDUCATION CONCLAVE 2023

On July 29, 2023, Shobhit University Gangoh broadcasted the inaugural session of the All India Education Conclave July 2023, held at Bharat Mandapam, Delhi, marking the third anniversary of the National Education Policy (NEP) 2020. This conference aimed to foster discussions among leading educational institutions on strategies, success stories, and best practices in implementing NEP 2020.

During the event, Prime Minister Narendra Modi released books in 12 Indian languages on education and skill development and launched the first installment of funds under the PM Shri scheme. The conclave featured 16 sessions on topics such as quality education, governance, equitable access, socio-economic inclusivity, Indian Knowledge Systems, and internationalization of education.

The live telecast was attended by Vice Chancellor Prof. (Dr.) Ranjit Singh, Registrar Prof. (Dr.) Mahipal Singh, faculty members, non-teaching staff, and students. Addressing the gathering, Prof. (Dr.) Ranjit Singh expressed his gratitude to Prime Minister Modi, emphasizing that NEP 2020 encompasses vital policies to equip youth with necessary skills for personal and national growth. He urged collective efforts to enhance education, ensuring a transformative impact on society.

The two-day summit served as a platform for academicians, policymakers, and industry experts to discuss and strategize the way forward for NEP 2020.

AUGUST-2023

AFRICAN SOFTWARE COMPANY CONDUCTS PLACEMENT DRIVE AT SHOBHIT UNIVERSITY GANGOH

The University Training and Development Cell at Shobhit University Gangoh organized an internship and campus placement drive on Monday, August 7, 2023. As the new academic session commenced, *Hab Kali Computer Engineering*, a software company based in Addis Ababa, Ethiopia, visited the university for campus recruitment. Students from B.Tech., BCA, and MCA programs actively participated in the drive, which offered positions in Data Analysis, Data Management, and Software Development Engineering.

The event was inaugurated by Dr. Naveen Kumar, Coordinator of the University Training and Development Cell, who extended his gratitude to the Vice Chancellor, Prof. (Dr.) Ranjit Singh, and the Registrar, Prof. (Dr.) Mahipal Singh. Dr. Naveen Kumar also provided valuable guidance to students regarding the interview process.

Following this, Dr. Pravendra Kumar, Founder of *Hab Kali Computer Engineering*, conducted the selection process through a technical interview. At the end of the placement drive, five students advanced to the final round of selection.

On this occasion, Prof. (Dr.) Ranjit Singh, Vice Chancellor of Shobhit University Gangoh, Prof. (Dr.) Mahipal Singh, Registrar, and Prof. Devendra Narayan, Corporate Director, expressed their appreciation for the organizers and the interview panel. They also extended their best wishes to the selected students for a successful future.

Several faculty members, including Dr. Varun Bansal, Dr. Jasvir Rana, Nitin Kumar, and Kuldeep Chauhan, were present at the event, contributing to its success.

SHOBHIT UNIVERSITY GANGOH OBSERVES ANTI-RAGGING AWARENESS WEEK

On Saturday, August 12, 2023, the School of Law and Constitutional Studies at Shobhit University Gangoh organized an Anti-Ragging Awareness Rally to mark the beginning of Anti-Ragging Awareness Week, which runs from August 12 to August 18, 2023. Following the University Grants Commission (UGC) guidelines, various programs will be conducted throughout the week to educate students about the dangers of ragging.

The awareness rally was flagged off by Prof. (Dr.) Mahipal Singh, Registrar of Shobhit University Gangoh. Starting from the university campus, the rally proceeded through the market and culminated at Hindu Rashtriya Inter College, Gangoh. At the college, Prof. (Dr.) Pritam Singh Panwar, Dean and Head of the School of Law and Constitutional Studies, addressed the students, providing valuable insights into the history of ragging. He explained that ragging was initially introduced as a means to encourage interaction between new and senior students. However, over time, it took on a negative form and became a serious offense. Citing Supreme Court orders, he highlighted the UGC's strict regulations that mandate disciplinary actions against ragging incidents to ensure a safe and welcoming learning environment.

Speaking on the occasion, Prof. (Dr.) Ranjit Singh, Vice Chancellor of Shobhit University Gangoh, praised the organizers and emphasized the importance of such initiatives in fostering awareness among students. He remarked that these efforts help create a positive and conducive atmosphere for education.

Registrar Prof. (Dr.) Mahipal Singh also extended his best wishes to the event organizers and stressed the need for regular awareness programs to prevent ragging on university campuses.

Several faculty members and students, including Dr. Usman Khan, Gaurav Tyagi, Ravikant Dixit, Aditya Tomar, Shakti Singh, Harsh Panwar, and Sarita Sharma, actively participated in the event, making it a successful initiative.

SHOBHIT UNIVERSITY GANGOH CELEBRATES 77TH INDEPENDENCE DAY WITH PATRIOTIC FERVOR

On August 15, 2023, Shobhit University Gangoh celebrated the 77th Independence Day with great enthusiasm under the Azadi Ka Amrit Mahotsav. This year's theme, "Nation First, Always First," resonated throughout the celebrations. The event commenced with the flag hoisting ceremony led by Prof. (Dr.) Ranjit Singh, Vice Chancellor of Shobhit University Gangoh. University security personnel paid tribute to the national flag with a salute, followed by the singing of the national anthem.

Following the flag hoisting, a series of cultural and patriotic programs were held in the university auditorium to honor the nation's heroes. The event began with a warm welcome by Prof. (Dr.) Prashant Kumar, Dean and Head of the Department of Education, who extended his heartfelt Independence Day wishes to all present.

Students from various departments delivered inspiring performances, with Akshay Saini, Iram, Anmol Panchal, Sneha Saini, and M. Sajid captivating the audience with their speeches, poetry, and shayari. Rajiv Yayavar, Coordinator of Virasat, University Heritage Research Center, shared his poetry on the Saharanpur region, while Associate Professor Dr. Namit Vashisht paid tribute to the country's brave martyrs through a soul-stirring patriotic song.

Addressing the gathering, Vice Chancellor Prof. (Dr.) Ranjit Singh extended his Independence Day greetings and emphasized the crucial role of education in nation-building. He highlighted how educational institutions contribute to strengthening the country by nurturing the hidden talents of students. During the event, he also led everyone in taking an oath under the "Meri Maati Mera Desh" campaign, reaffirming their commitment to the nation.

The caretaker of the institute, Sufi Zaheer Akhtar, shared valuable insights into the rich educational history of Gangoh, stating that the region has been a center of learning for a long time. He expressed pride in how students educated in Gangoh are now making significant contributions worldwide.

As the program concluded, Registrar Prof. (Dr.) Mahipal Singh expressed gratitude to all attendees and extended his best wishes to the event organizers.

The celebration witnessed the presence of Jamshed Pradhan, Deans of various departments, Principals, faculty members, non-teaching staff, and students. The event concluded on a joyful note with the distribution of sweets among attendees.

SHOBHIT UNIVERSITY GANGOH HOSTS ORIENTATION PROGRAM FOR FIRST-YEAR STUDENTS

On August 16, 2023, Shobhit University Gangoh organized an orientation program for first-year students from various schools, including Business Studies, Agriculture, Biological Engineering, Law, Liberal Arts, and Engineering (Civil, Electronics & Electrical, and Mechanical Engineering).

The event commenced with a lamp-lighting ceremony by Vice Chancellor Prof. (Dr.) Ranjit Singh, Registrar Prof. (Dr.) Mahipal Singh, and the institution's caretaker, Sufi Zaheer Akhtar, in front of the statues of Maa Saraswati and Babu Vijendra Ji. Dean Research Prof. (Dr.) Rajiv

Dutta welcomed the dignitaries with floral bouquets, followed by a welcome speech from Prof. (Dr.) Gunjan Agarwal, introducing students and parents to university activities.

Prof. (Dr.) Varun Bansal, Examination & LMS Officer, briefed students on academic guidelines, including class attendance, tuition fee payments, and examination rules. Chief Proctor Dr. Bhupendra Chauhan assured students of a disciplined and supportive learning environment. Addressing the gathering, Vice Chancellor Prof. (Dr.) Ranjit Singh extended his best wishes, emphasizing the university's commitment to fostering a safe, welcoming, and growth-oriented atmosphere.

The caretaker, Sufi Zaheer Akhtar, highlighted the importance of education and encouraged students to set clear goals. Registrar Prof. (Dr.) Mahipal Singh also conveyed his best wishes to students and their parents.

The program concluded with Prof. (Dr.) Jasvir Singh Rana expressing gratitude to all attendees. Students were provided with university bags and kits as a welcome gesture. The event was attended by several faculty members and administrative staff.

SHOBHIT UNIVERSITY GANGOH HOLDS CONDOLENCE MEETING FOR DR. BINDESHWAR PATHAK

Shobhit University Gangoh mourns the passing of Dr. Bindeshwar Pathak, a renowned Indian social reformer, entrepreneur, and Honorary Professor at the School of Liberal Arts and Languages, who passed away on August 15, 2023. His remarkable contributions to social service and sanitation reforms earned widespread national and international recognition.

Dr. Pathak founded Sulabh International in 1970, which expanded beyond India by 1980, eventually becoming Sulabh International Social Service Organization. His work gained global

acknowledgment when the United Nations Economic and Social Council granted special consultative status to the organization.

Throughout his lifetime, Dr. Pathak received numerous prestigious awards, including the Padma Bhushan (1991), Energy Globe Award, Indira Gandhi Award, Stockholm Water Award, Akshay Urja Award (2009), Priyadarshini Award for environmental work, and the Dubai International Award for Best Practices. In 2003, he was also recognized among the world's 500 best social executives.

In this moment of profound sorrow, the Shobhit University family pays its deepest respects to Dr. Bindeshwar Pathak and prays for his soul to find eternal peace. His legacy of social reform and humanitarian service will continue to inspire generations to come.
