PART-ONE

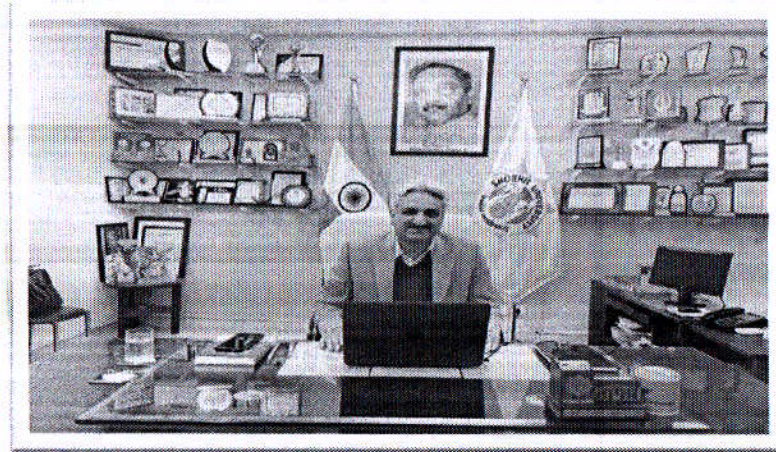

OUR INSPIRER

As a part of the journey to ignite the minds, a renowned agriculturist and social worker from a small town Gangoh of district Saharanpur, our Inspirer, Babu Vijendra Kumar Ji envisioned a society to cater to the needs of the youth of the area and empower all sections of the society of the nation through education. This dream of Babu Ji was formalized by Dr. Shobhit Kumar and Kunwar Shekhar Vijendra voluntarily and with the spirit of social service to the community along with a team of eminent professionals, technocrats, educationists, and social workers by establishing NICE Society in 1989.

VICE CHANCELLOR'S MESSAGE

It is with great pride and profound gratitude that I present the Annual Report for the academic year **2024–25** of **Shobhit University Gangoh**. This year has been one of remarkable growth, transformative initiatives, and significant strides in academics, research, and community engagement, reflecting our unwavering commitment to excellence, innovation, and holistic education.

At Shobhit University, we remain dedicated to nurturing intellectual curiosity, creativity, and leadership among our students. Our multidisciplinary, industry-aligned curriculum—anchored in strong ethical values—empowers learners to meet the demands of an ever-evolving global landscape. We continue to strengthen our research ecosystem, fostering innovation and impactful contributions from our faculty and students toward nation-building and societal advancement.

The academic year **2024–25** was marked by several noteworthy milestones: enhanced internship and placement opportunities, deepened collaborations with industry and research organizations, expanded skill development initiatives, and the successful hosting of national and international seminars, conferences, and workshops. Our sustained focus on sustainability, digital transformation, and entrepreneurial mindset remains evident across academic, research, and co-curricular spheres.

I take immense pride in celebrating the outstanding achievements of our students and faculty in academics, research, sports, innovation, and cultural pursuits. Their hard work and perseverance continue to elevate the reputation of Shobhit University as a center of excellence in higher education.

As we look to the future, I extend my sincere gratitude to our esteemed faculty, dedicated staff, motivated students, supportive alumni, and valued industry partners. Together, let us continue to advance our mission of shaping lives through education, research, and service to society.

Wishing everyone continued success, growth, and fulfillment in the journey ahead.

Prof. (Dr.) Ranjit Singh

Vice Chancellor

Shobhit University Gangoh

REGISTRAR'S MESSAGE

It is with immense pride and renewed commitment that I present the Annual Report for the academic year 2024–25 of Shobhit University Gangoh. This year has been defined by academic innovation, research breakthroughs, strengthened industry partnerships, and deeper engagement with society, furthering our mission of delivering holistic education and fostering a culture of excellence.

Our university has continued to raise the bar in academic quality by integrating next-generation teaching methodologies, expanding value-added and skill-based programs, and embracing digital learning platforms. These efforts have better equipped our students with the knowledge, practical expertise, and ethical grounding needed to meet the demands of an ever-evolving global landscape. Research and innovation have remained a cornerstone of our progress, with faculty and scholars contributing significantly through publications, patents, and collaborative projects with esteemed national and international institutions.

The year also witnessed dynamic co-curricular and extracurricular activities that have nurtured our students' leadership, teamwork, and critical thinking skills. Celebrations of National Science Day, Entrepreneurship Development Programs, Research and Innovation Workshops, Sports and Cultural Fests, and Community Outreach Drives enriched the campus environment and reinforced our emphasis on holistic growth.

Our dedication to community development has remained steadfast, with impactful initiatives such as free medical outreach, vocational and skill enhancement training, sustainability campaigns, and inclusive education drives, further strengthening our position as a socially responsible institution.

I take this opportunity to express my heartfelt gratitude to our Vice Chancellor, esteemed faculty, administrative team, students, alumni, and partners for their dedication, resilience, and collective effort in taking the university to new heights. Together, let us continue to pursue our shared vision of academic brilliance, innovation, and service to society, making Shobhit University Gangoh a beacon of knowledge and transformation.

With best wishes for continued progress and success.

Prof. (Dr.) Mahipal Singh

Registrar, Shobhit University Gangoh

MESSAGE FROM THE CONTROLLER OF EXAMINATIONS

It is with immense pride and a strong sense of responsibility that I present this message for the Annual Report 2024-25 of Shobhit University Gangoh. The past academic year has been one of continuous progress, innovation, and dedication toward strengthening our examination and evaluation systems, ensuring transparency, fairness, and efficiency in every academic assessment.

Our Examination Department has further advanced the university's evaluation framework by expanding the scope of digitization, enhancing secure evaluation practices, and implementing student-centric reforms. We successfully conducted internal assessments, semester examinations, and competitive evaluations with the highest standards of accuracy, integrity, and confidentiality.

During the academic year, we refined our automated examination management systems, resulting in greater efficiency in exam scheduling, real-time result processing, and swift grievance redressal mechanisms. Anti-malpractice protocols were further reinforced, safeguarding the credibility and trustworthiness of our academic processes. Moreover, our dedicated faculty and staff worked tirelessly to provide guidance, preparatory workshops, and counseling support, ensuring a seamless and stress-free examination experience for our students.

Looking ahead, we remain committed to driving innovation by integrating AI-enabled assessment tools, intelligent analytics, online proctoring, and adaptive evaluation techniques. These advancements will further enhance the learning experience, build trust in our systems, and better prepare our students for the demands of future professional landscapes.

I extend my sincere appreciation to our Vice Chancellor, faculty members, examination team, and students for their steadfast support and cooperation throughout the year. Together, we will continue to uphold the excellence, credibility, and reliability of Shobhit University's academic evaluation system.

Best wishes to all for a successful and enriching academic journey ahead!

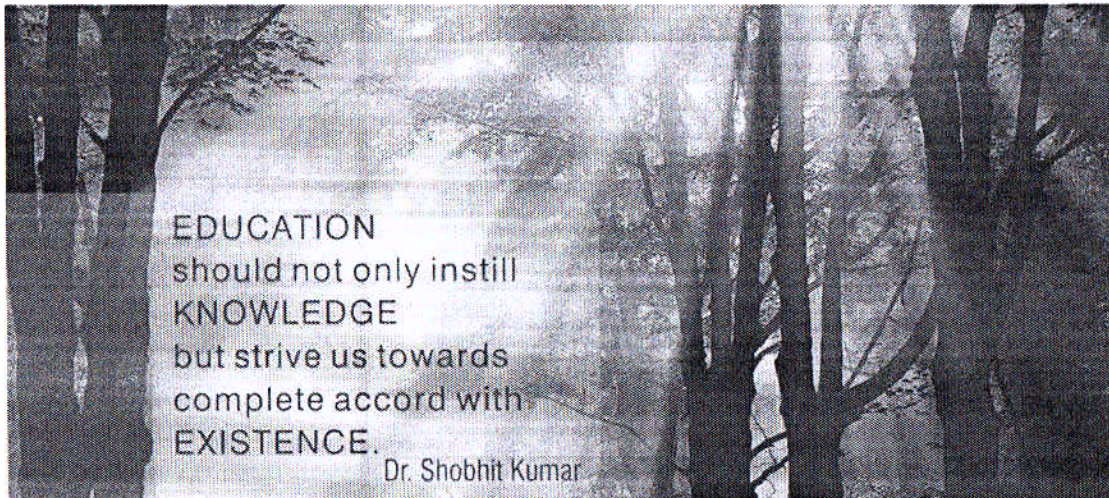

Prof. (Dr.) Varun Bansal

VISION & MISSION OF THE UNIVERSITY

Shobhit University aims to create a conducive, enabling academic climate to facilitate integration of the younger generation into the logic of the present system and to develop educational means by which men and women deal critically and creatively with reality and discover how to participate in the transformation of their world.

Vision

The Shobhit University will be internationally recognized as a premier Indian University with a global perspective that educates leaders who will fashion a more humane and just world.

Mission

The core mission of the University is to promote learning in Indian tradition with international outlook. The University offers undergraduate, graduate, research scholars and professional students, the knowledge and skills needed to succeed as persons and professional in niche technical areas, and the values and sensitivity necessary to be men and women for others.

The University will distinguish itself as a diverse, socially responsible learning community of high-quality scholarship and academic rigor, sustained by Indian ethics & values. The University will draw from the cultural, intellectual and economic resources of the nation to enrich and strengthen its educational programs.

CORE VALUES OF THE UNIVERSITY

The University's core values include a belief in and a commitment to advancing:

- The Indian tradition that views faith and reason as complementary resources in the search for truth and authentic human development, and that welcomes persons of all faiths as fully contributing partners to the University.
- The freedom and the responsibility to pursue truth and follow evidence to its conclusion.
- Learning as a humanizing, social activity rather than a competitive exercise.
- A common good that transcends the interests of particular individuals or groups; and reasoned discourse rather than coercion as the norm for decision making.
- Diversity of perspectives, experiences and traditions as essential components of a quality education in our global context.
- Excellence as the standard for teaching, scholarship, creative expression and service to the University community.
- Social responsibility in fulfilling the University's mission to create, communicate and apply knowledge to a world shared by all people and held in trust for future generations.
- The moral dimension of every significant human choice: taking seriously how and who we choose to be in the world.
- The full, integral development of each person and all people, with the belief that no individual or group may rightfully prosper at the expense of others.
- A culture of service that respects and promotes the dignity of every person.

THE JOURNEY OF SHOBHIT UNIVERSITY GANGOH: FROM INCEPTION TO EXCELLENCE

Shobhit University, Gangoh, has emerged as a center of excellence in higher education, fostering academic innovation, research, and professional development. Established with a vision to impart quality education, the university has grown into a multidisciplinary institution committed to nurturing intellectual growth and holistic development.

Foundation and Establishment

Shobhit University, Gangoh, was founded with the mission of providing affordable and quality education in various disciplines. It was established as part of the Shobhit University group, guided by the vision of its founding members and academic leaders. Since its inception, the university has been dedicated to academic excellence, skill development, and industry-oriented education.

From its inception to its present stature, Shobhit University Gangoh has remained steadfast in its pursuit of knowledge, excellence, and societal impact, shaping the future of education and creating leaders of tomorrow.

STRATEGIC INITIATIVES OF THE UNIVERSITY

Key Initiatives Driving the University's Recognition as a Premier Institution in India

Shobhit University has consistently demonstrated excellence in education, research, and holistic student development, earning recognition as a premier Indian university. This achievement is the result of strategic initiatives aimed at fostering academic excellence, inclusivity, innovation, and sustainability. Below are the key initiatives that have contributed to this success:

1. Recruiting and Retaining a Diverse and Highly Qualified Faculty and Staff

A university's strength lies in its faculty and staff, who play a pivotal role in shaping students' educational experiences. To maintain academic excellence, the university actively recruits and retains a diverse team of outstanding teacher-scholars committed to advancing the institution's vision, mission, and values. These faculty members bring a wealth of experience, research expertise, and industry knowledge, ensuring that students receive a dynamic, research-oriented, and industry-relevant education.

Additionally, the university prioritizes hiring a service-oriented administrative and support staff who are dedicated to creating a positive, student-focused learning environment. By fostering continuous faculty development through professional training, research opportunities, and academic collaborations, the university ensures that its educators remain at the forefront of their respective fields.

2. Enrolling, Supporting, and Graduating a Diverse Student Body

One of the core objectives of the university is to attract and nurture a diverse student community. The institution is committed to enrolling students from different backgrounds, regions, and socio-economic statuses, ensuring that higher education remains inclusive and accessible to all. The admissions process emphasizes academic excellence, leadership potential, and social responsibility, ensuring that students who join the university are well-prepared to contribute meaningfully to society.

Beyond enrollment, the university offers comprehensive student support programs, including mentorship, counseling, scholarships, and career guidance, to help students thrive academically and personally. Special attention is given to students from marginalized communities, ensuring that the weak and the vulnerable receive the necessary support to succeed. Leadership development programs, extracurricular activities, and community engagement initiatives are also encouraged to instill a sense of responsibility, compassion, and civic consciousness among students.

3. Creating a Stimulating Learning Environment with Advanced Resources

A well-equipped and vibrant campus plays a crucial role in enhancing learning experiences and overall student satisfaction. To support outstanding educational programs, the university continuously invests in developing state-of-the-art infrastructure, smart classrooms, modern laboratories, and research facilities that foster innovation and practical learning.

A significant focus is placed on enhancing learning resources that not only complement the curriculum but also promote scholarly research. The university's extensive digital and physical library provides students with access to academic journals, research papers, and e-learning tools that supplement their education.

Incorporating cutting-edge technology solutions is another major initiative aimed at enhancing teaching methodologies, student engagement, and administrative efficiency. Digital learning platforms, AI-driven academic support systems, and virtual classrooms ensure that education remains accessible, interactive, and up-to-date with global trends. The university's commitment to digital transformation enhances the learning experience and prepares students for a technology-driven world.

4. Upgrading Facilities to Support Holistic Learning and Well-being

Beyond academics, the university ensures that its facilities and resources create a nurturing and intellectually stimulating environment. This includes sports complexes, cultural centers, hostels, and recreational areas, which contribute to the overall well-being and development of students. A strong emphasis on green campus initiatives, mental health wellness programs, and community engagement activities aligns with the university's vision of creating a sustainable and socially responsible institution.

These initiatives collectively contribute to the university's **growing recognition as a leading educational institution in India**, ensuring that students receive a **world-class education** in an environment that promotes **innovation, inclusion, and holistic growth**.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

Establishment of IQAC

The Internal Quality Assurance Cell was formed in January 2023 to enhance and maintain institutional quality standards. Its establishment aimed to foster continuous improvement, ensure compliance with academic and administrative benchmarks, and promote excellence through systematic assessment and monitoring of processes within the organization. Internal Quality Assurance Cell (IQAC) is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belonging and participation in all the constituents of the institution. It will not yet be another hierarchical structure or a record-keeping exercise in the institution. It will be a facilitative and participative voluntary system/unit/organ of the institution. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies by IQAC to remove deficiencies and enhance quality like the "Quality Circles" in industries.

Vision of IQAC

To prioritize a culture of quality in Higher Education Institutions by institutionalizing and internalizing all initiatives supported both internally and externally.

Goals of IQAC

The primary goals of IQAC are:

- To create a system for deliberate, consistent, and catalytic actions aimed at enhancing the institution's academic and administrative performance.
- To advance measures that enhance institutional functioning by internalizing a culture of quality and institutionalizing the best practices.

Strategies of IQAC

IQAC shall evolve mechanisms and procedures for:

- Ensuring timely, efficient, and progressive performance of academic, administrative, and financial tasks.
- Offering relevant and high-quality academic and research programs.
- Providing equitable access to and affordability of academic programs for diverse sections of society.
- Optimizing and integrating modern teaching and learning methods.
- Maintaining the credibility of assessment and evaluation processes.
- Ensuring adequacy, maintenance, and proper allocation of support structures and services.
- Sharing research findings and networking with other institutions in India and abroad.

Role of Coordinator/Director IQAC

The following are the roles and responsibilities carried out by coordinator IQAC:

- To coordinate the dissemination of information on various quality parameters of higher education
- To coordinate the documentation of the various programmes / activities leading to quality improvement
- To coordinate the quality-related activities of the institution
- To coordinate in preparation of the Annual Quality Assurance Report (AQAR) to be submitted to NAAC based on the quality parameters.
- To coordinate the timely and efficient execution of the decisions of IQAC committee.

Functions of IQAC

Some of the functions expected of the IQAC are:

- Development and application of quality benchmarks
- Parameters for various academic and administrative activities of the institution.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Collection and analysis of feedback from all stakeholders on quality-related institutional processes.
- Dissemination of information on various quality parameters to all stakeholders.
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
- Documentation of the various programmes/activities leading to quality improvement.
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.
- Development and maintenance of institutional databases through MIS for the purpose of maintaining /enhancing the institutional quality.
- Periodical conduct of Academic and Administrative Audit and its follow-up
- Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.

BRIEF DETAILS OF FUNCTIONAL MOUS

Collaborations and Memorandums of Understanding (MoUs)

At Shobhit University Gangoh, we place significant importance on cultivating strategic partnerships through Memorandums of Understanding (MoUs) and collaborative agreements with leading academic institutions, research organizations, industries, and corporate entities. These alliances are designed to enrich academic excellence, encourage mutual knowledge exchange, and open avenues for professional growth for both students and faculty members.

By associating with reputed organizations at the national and international levels, the university ensures access to advanced research opportunities, real-world industry exposure, skill-building initiatives, and global learning platforms. Such collaborations facilitate internships, joint research projects, faculty and student exchange programs, and hands-on training modules, thereby bridging the divide between theoretical education and practical application.

Our partnerships are carefully curated to nurture a culture of innovation, entrepreneurship, and interdisciplinary learning, aligning with evolving global standards. These collaborations enable our students to acquire practical insights, technical expertise, and professional competencies that prepare them to meet the dynamic challenges of today's workforce and emerge as future-ready leaders.

Through these strategic collaborations, Shobhit University reinforces its dedication to delivering exemplary education, advancing professional growth, and expanding diverse career pathways for its students. By blending academic excellence with experiential learning, we equip learners with more than theoretical knowledge, empowering them with confidence, flexibility, and leadership acumen essential for success in today's fast-evolving global environment. These partnerships ensure access to real-world exposure, practical training, and innovation-driven opportunities, preparing our students to meet emerging challenges with competence and vision, while fostering their growth as responsible, future-ready professionals and leaders in their chosen fields.

BRIEF DETAILS OF EXTENSION AND OUTREACH ACTIVITIES-2023-24

Shobhit University remains dedicated to fostering community welfare through extensive extension and outreach initiatives. Upholding its commitment to social responsibility, the university actively engages in activities that address societal needs and contribute to sustainable development. During the academic year 2023-24, Shobhit University successfully organized approximately 100 extension and outreach programs, focusing on various sectors such as education, health, environmental conservation, and social empowerment. These initiatives were designed to create a meaningful impact by promoting awareness, providing essential services, and encouraging active community participation. By collaborating with local organizations, government bodies, and non-profit groups, the university ensured that its efforts reached a broad spectrum of beneficiaries. Through these activities, Shobhit University continues to bridge the gap between academia and society, fostering a culture of civic engagement and holistic development. Its unwavering dedication to outreach programs underscores its mission to contribute positively to the community and drive transformative change.

	adverse drug reactions (ADRs) and medication errors		
39.	Value-Added Course on to Understand the role of genetic variation in drug response and the application of pharmacogenomics in drug therapy	SUG-VAC-AVIPS-2024-25-05	2024-25
40.	Value-Added Course on to Explore therapeutic yoga practices for stress reduction, anxiety, depression, and chronic pain management	SUG-VAC-KSVMCN-2024-25-01	2024-25
41.	Value-Added Course on to Study the use of herbs, essential oils, and natural supplements in maintaining and improving health	SUG-VAC-KSVMCN-2024-25-02	2024-25
42.	Value-Added Course on to Focus on lifestyle management, balanced nutrition, and stress management to prevent chronic diseases and promote long-term well-being	SUG-VAC-KSVMCN-2024-25-03	2024-25

PATENT DETAILS

Shobhit University consistently fosters a culture of research and innovation, encouraging scholars and faculty members to engage in groundbreaking studies and technological advancements. Committed to academic excellence, the university actively supports initiatives that lead to novel discoveries and creative solutions across various disciplines. As part of its dedication to intellectual property development, the university facilitates and promotes patent filings to safeguard innovative ideas. In alignment with this vision, the details of patents granted and filed during the year 2023 are being provided. This initiative reflects the university's ongoing efforts to contribute meaningfully to research, industry, and societal progress.

Patent Details of year 2023			
Inventors/Applicants	Application No	Title of Patents	Date of Publication
Dr. Divya Prakash, Prof. Ranjit Singh, Prof. Tarun Sharma, Dr. JyotiSihag, AyushMadan	202111028653 A	System And Method for Monitoring Soil Quality Parameters	24.02.2023
Ms. Deepika Rani, Dr. Ranjit Singh, Mr. Vinit Kumar Sharma, Dr. Bhupendra Chauhan, Mr. Vipin Chaudhary, Mr. Azhar Khan	202311050465 A	Antifungal Combination of Beauvericin and Miconazole for The Prevention Of Fungal Infections	25.08.2023
Ms. Deepika Rani, Dr. Ranjit Singh, Dr. Madan L. Kaushik, Dr. Bhupendra Chauhan, Mr. Vinit Kumar Sharma, Ms. VeenuChoudhary	202311027781 A	Fungicidal Combination for The Prevention of C. Albicans Caused Oral Infections	19.05.2023
Patent DetailsMr. Amitabh Tripathi, Dr. Bhupendra	202311019886 A	Orodispersible Tablet Formulation of Modafinil	12.05.2023

Patent Details of year 2023			
Chauhan, Dr. Alok Mukerjee, Ms. Deepika Rani, Mr. Vipin Chaudhary, Mr. Nikunj Agarwal, Mr. Amit Kumar Mishra, Mr. t Kumar Singh, Mrs. Bhawana Singh		And Caffeine For Narcolepsy And Preparation Method Thereof	
Dr. Himani Bajaj, Dr. Mayank Yadav, Dr. Seema Bisht Chauhan, Deepika Ghai, Dr. Ashutosh Badola	202311027810 A	Methods And System for Preparing and Dispensing 3d Printed Pharmaceutical Formulations With Enhanced Drug Release And Bioavailability	19.05.2023
Bharat Khurana and Others	202311027945 A	Instant Tea Tablet and Preparing Process	19.05.2023
Bharat Khurana and Others	202311026848 A	Herbal Based Mosquito Repellent	25.05.2023
Heranmoy Maity, Mousam Chatterjee, Aritra Bhowmik, Ms. Meenakshi Kandwal, Ms. Anjali Rana, Dr. Mayank Yadav, Dr. Himani Bajaj, Ms. Rita Saini	202311005679 A	Novel IoT Based Smart Baby Monitor with Heart Rate & Oxygen as Sleep Quality Indicators	03.02.2023
Ranjit Singh, Jyoti Saxena	Uk Design Patent Design #6330017	Smart Apparatus for Extraction of Active Plant Constituents For Medicinal Purposes Grant Date	14.12.2023

PUBLICATION DETAILS

Shobhit University consistently supports and fosters a culture of research and innovation, encouraging scholars and faculty members to engage in meaningful scientific and academic contributions. The university remains committed to advancing knowledge through interdisciplinary research, fostering creative problem-solving, and promoting groundbreaking discoveries. As part of this commitment, a comprehensive record of publications has been compiled for the year 2023. These publications reflect the dedication and intellectual efforts of researchers across various fields, showcasing their contributions to academia and industry. The university continues to provide a conducive environment for research excellence, ensuring sustained progress and innovation in diverse disciplines.

JULY-2024

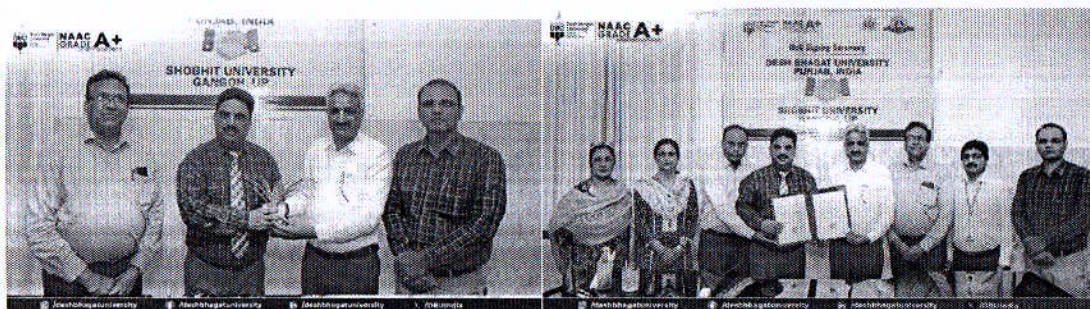

Historic MoU Signing Ceremony between Shobhit University Gangoh and Baba Farid University of Health Sciences, Faridkot

On July 3, 2024, Shobhit University Gangoh and Baba Farid University of Health Sciences (BFUHS), Faridkot, Punjab, entered into a landmark partnership by signing a Memorandum of Understanding (MoU) aimed at strengthening academic and research collaboration. The signing ceremony was graced by Prof. (Dr.) Ranjit Singh, Vice Chancellor, Shobhit University Gangoh, and Prof. (Dr.) Rajiv Sood, Vice Chancellor, BFUHS, an eminent urologist and recipient of the Dr. B.C. Roy National Award.

This MoU seeks to promote mutual cooperation in education, research, and innovation, particularly benefiting students in medical, pharmaceutical, and allied sciences. Learners pursuing Pharmacy, M.Tech, M.Sc., and Ph.D. programs will gain access to enhanced guidance, advanced resources, and joint research opportunities, enabling them to evolve as globally competent professionals.

Prof. (Dr.) Rajiv Sood commended Shobhit University's research excellence, notably its studies on Rudraksh, and emphasized the future potential of joint initiatives in integrated medicine, twinning programs, and skill-oriented courses.

Prof. (Dr.) Ranjit Singh highlighted that this collaboration marks a significant milestone, paving the way for enriched academic exchange and research breakthroughs. Chancellor Shri Kunwar Shekhar Vijayendra Ji extended his best wishes, expressing confidence that the MoU will advance research, innovation, and technical expertise, greatly benefiting students and faculty of both universities.

National Doctor's Day Celebration at Shobhit University Gangoh

Kunwar Shekhar Vijendra Ayurveda Medical College and Research Centre (KSVAMC&RC) of Shobhit University, Gangoh, in collaboration with the Rotary Club of Gangoh, organized a special program on National Doctor's Day at the university campus. The event was inaugurated with the ceremonial lighting of the lamp before the idols of Maa Saraswati and Babu Vijendra Kumar Ji by Prof. (Dr.) Ranjit Singh, Vice Chancellor; Prof. (Dr.) Mahipal Singh, Registrar; Prof. (Dr.) Vikas Sharma, Principal of KSVAMC&RC; and other esteemed dignitaries.

Prof. (Dr.) Vikas Sharma, in his welcome address, highlighted the vital role of doctors in safeguarding public health, recalling their unwavering service during critical times such as the COVID-19 pandemic. He extended warm greetings to all dignitaries, including the Rotary Club members—President Pramod Goyal, Secretary Shubham Agarwal, Mukesh Gupta, Dr. Manoj Jain, Dr. Narendrapal Singh, Dr. Amit Garg, Dr. Vikas Singhal, Dr. Arun Sharma, Narendra Tayal, and Nitin Singhal.

In recognition of their exceptional contributions, the Rotary Club honoured distinguished doctors and faculty members, including (Dr.) Satish Jaimini, Prof. (Dr.) Krishnanand C., Prof. (Dr.) A.P. Singh, Dr. Shagufta Malhotra, Dr. Kultar Singh, and Dr. Lalit Sharma, with certificates of appreciation.

Vice Chancellor Prof. (Dr.) Ranjit Singh lauded the dedication of all medical professionals, extending heartfelt wishes, while Registrar Prof. (Dr.) Mahipal Singh expressed gratitude to the organizers. Faculty members and staff of KSVAMC&RC attended the program, making the celebration memorable.

Vice Chancellor’s Message

Dear Students, Faculty Members, and Esteemed Readers,

It gives me immense pleasure to extend warm greetings through this edition of our University Newsletter. At Shobhit University, Gangoh, we are continuously striving to foster a culture of academic excellence, innovation, and social responsibility. The past month has been filled with noteworthy achievements—be it the successful campus placements, collaborative initiatives with reputed national and international organizations, or impactful outreach programs conducted by our students and faculty.

I am especially proud of the efforts of our students who are not only excelling in academics but also engaging meaningfully with society through awareness campaigns, cultural events, and professional development activities. The recent internships secured at DRDO and the impactful cyber security street plays in rural areas are testimony to the holistic education we aim to provide.

Let us continue to nurture a spirit of inquiry, leadership, and service. I encourage all students to make the best use of the opportunities available and uphold the values that define our institution. I also appreciate the dedication of our faculty and staff in shaping the future of our learners.

With best wishes for your continued growth and success.

Registrar's Message

Dear Readers,

It is a matter of great pride to witness the dynamic progress of Shobhit University, Gangoh, as reflected in this newsletter. Our students and faculty continue to bring laurels to the institution through their academic achievements, placements, research endeavors, and community outreach activities. The recent campus drives, internships at prestigious institutions like DRDO, and social awareness programs in villages highlight the spirit of excellence and social commitment that defines our university.

As Registrar, I commend the efforts of our teaching and non-teaching staff who work tirelessly to ensure a smooth academic and administrative environment. I urge all students to remain focused, disciplined, and proactive in their learning journey.

Let us move forward with the shared vision of building a future-ready, responsible, and enlightened academic community.

With warm regards,
