School of Engineering & Technology Industrial Visit

National Centre for Medium Range Weather Forecasting (NCMRWF)

Date of Visit: June 6, 2024

Location: Sector-62, Industrial Area, Noida, Uttar Pradesh

An industrial visit to the National Centre for Medium Range Weather Forecasting (NCMRWF), located in Sector-62, Industrial Area, Noida, was organized by the School of Engineering & Technology, Shobhit University, Gangoh, on June 6, 2024.

A total of 150 students participated in the visit with the objective of understanding real-time weather forecasting systems and the role of high-performance computing in atmospheric research.

The students had the unique opportunity to attend a special address by **Dr. Balakrishnan Athiyaman, Head of High-Performance Computing** at NCMRWF. He provided in-depth knowledge about **supercomputers and high-performance computing systems**, emphasizing their large scale and crucial role in accurate weather forecasting and climate modeling.

The visit began with an enthusiastic start as **Dr. Mahipal Singh** and **Dr. Tarun Kumar Sharma** flagged off the buses in the early morning, setting a positive tone for the day.

We extend our sincere gratitude to **Dr. Mahipal Singh** and **Dr. Tarun Kumar Sharma** for planning and coordinating this enriching experience. Special thanks to the **University Training and Development Cell (UTDC)** for their consistent support in organizing such educational opportunities.

The visit was an enlightening experience for the students, offering practical insights into the integration of science, technology, and computational systems in national-level meteorological research.

School of Engineering & Technology Industrial Visit

Smart Brain Company, Noida (Sector-59)

Date of Visit: January 7, 2025

The Department of [Your Department Name], School of Engineering & Technology, Shobhit University, Gangoh, organized an **industrial visit to Smart Brain Company** located in **Noida Sector-59, Uttar Pradesh, on January 7, 2025.**

A total of **50 students** participated in this educational and career-oriented visit. The aim of the visit was to provide students with firsthand exposure to industry practices, corporate culture, and emerging technological trends in the field.

During the visit, students were given a comprehensive overview of the company's operations, work environment, and ongoing projects. They also interacted with professionals and learned about practical applications of their academic knowledge.

We are pleased to report that **18 students were selected for internship opportunities** at Smart Brain Company as a result of this visit. This will greatly enhance their skills and professional development.

We extend our **heartfelt thanks to Dr. Tarun Kumar Sharma** for **planning and facilitating this valuable opportunity** for our students. We also thank the **University Training and Development Cell (UTDC) team** for their support and coordination throughout the event.

This industrial visit not only enriched the students' learning experience but also bridged the gap between academic knowledge and industrial application.
