Functions of the College Council

The College Council shall perform the following functions:

- To deliberate upon and monitor academic matters relating to undergraduate and postgraduate teaching.
- To review implementation of academic curriculum, teaching schedules, and departmental activities.
- To monitor student attendance, academic performance, and examination-related matters.
- To discuss and recommend measures for improvement in teaching-learning processes.
- To review matters pertaining to research, extension activities, and institutional development.
- To ensure compliance with NCISM regulations and other statutory requirements.
- To review matters related to discipline, student welfare, and academic progression.
- To provide recommendations for quality enhancement in academics, clinical services, and institutional administration.
- To consider any other academic or administrative matter referred by the Principal.

This order shall come into force with immediate effect and shall supersede all previous orders issued in this regard.

By Order
